**Width:**

2.000 inches

**Thickness:**

0.031 inches

**Length:**

4.000 inches

**Attachment Method:**

Cemented

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend 1st side

**Inscription:**

Partial legend u.S. Processing machine, oscillogram part no. 179700 model no. 23-110-2 serial no./-----/ fed. Stock no. 6740-994-9272 1st side

**Color:**

Natural inscription background

**Material:**

Aluminum alloy

**Surface Treatment:**

Plastic

**Fsc Application Data:**

Processing machine, oscillogram

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A528w0
