Width:

1.312 inches

Thickness:

0.020 inches

Length:

2.040 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular w/rounded ends

Marking Designation:

Legend 1st side

Inscription:

Motor-28 volt dc system specs 1st side

Color:

Natural inscription

Material:

Aluminum alloy

Surface Treatment:

Zinc

Surface Treatment Specification:

Qq-z-301 federal specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
