Width:

0.506 inches

Thickness:

0.032 inches

Length:

2.120 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Alloytek grandville mi, no 52000-aly, g.E. No.6003t, ser.No. 1st side

Color:

Black inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/2, alloy 3003, 0 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 1, class 1 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-a-8625 spec.
