Width:

0.375 inches

Thickness:

0.003 inches

Length:

1.000 inches

Attachment Method:

Adhesive

Environmental Protection:

Corrosion resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

F2101 1st side

Features Provided:

Pressure sensitive adhesive tape

Special Features:

0.125 in h letters iaw american type foundry alternate gothic no. 2

Color:

Natural inscription background

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
