Width:

1.920 inches

Thickness:

0.022 inches

Length:

3.670 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Iris adjust data iris position dial setting 1 2 3 4 5 alc 1st side

Color:

Blue inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/2, alloy 3003 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
