**Width:**

4.0000 inches

**Thickness:**

0.020 inches

**Length:**

1.558 inches

**Attachment Method:**

Hole

**Environmental Protection:**

Corrosion resistant and fade

**Marking Designation:**

Legend

**Inscription:**

9101-11-213-1415

**Color:**

Black inscription background

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/1, alloy 1100, h14 federal specification single material response

**Surface Treatment:**

Anodize and epoxy

**Surface Treatment Specification:**

Mil-a-8625, type 2, class 2 military specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0

**Mil-std (military Standard):**

Mil-a-8625 spec.
