Width:

4.0000 inches

Thickness:

0.020 inches

Length:

1.558 inches

Attachment Method:

Hole

Environmental Protection:

Corrosion resistant and fade

Marking Designation:

Legend

Inscription:

9101-11-213-1415

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100, h14 federal specification single material response

Surface Treatment:

Anodize and epoxy

Surface Treatment Specification:

Mil-a-8625, type 2, class 2 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-a-8625 spec.
