#### Width:

4.0000 inches

#### Thickness:

0.020 inches

# Length:

1.558 inches

## **Attachment Method:**

Hole

#### **Environmental Protection:**

Corrosion resistant and fade

#### **Marking Designation:**

Legend

#### Inscription:

9101-11-213-1415

#### Color:

Black inscription background

#### Material:

Aluminum alloy

## Material Specification:

Qq-a-250/1, alloy 1100, h14 federal specification single material response

## Surface Treatment:

Anodize and epoxy

#### Surface Treatment Specification:

Mil-a-8625, type 2, class 2 military specification single treatment response

#### Shelf Life:

N/a

#### Unit Of Measure:

---

#### Demilitarization:

No

Fiig:

A528w0

#### Mil-std (military Standard):

Mil-a-8625 spec.
