Width:

0.812 inches

Thickness:

0.016 inches

Length:

1.062 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

((partial legend)) bendix pressure reducing valve assembly. No. (-----) cust. No. (-----) serial no. (-----)the bendix corporation bendix-pacific di
1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100, h14 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
