Width:

1.300 inches

Thickness:

0.004 inches

Length:

2.150 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Amplifier, indicator aru/a, part no., serial no., contract no., stock no., astronautics corporation of america u.S. 1st side

Features Provided:

Pressure sensitive adhesive tape

Color:

Black inscription background

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A528w0
