Width:

2.480 inches

Thickness:

0.032 inches

Length:

3.020 inches

Attachment Method:

Hole

Environmental Protection:

Abrasion resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Mfr data

Features Provided:

Observation facility

Color:

Black inscription

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
