Width:

0.800 inches

Thickness:

0.080 inches

Length:

3.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular w/rounded ends

Marking Designation:

Legend 1st side

Inscription:

Air line connection 1st side

Color:

Natural inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-601 federal specification single material response

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
