Width:

1.844 inches

Thickness:

0.031 inches

Length:

5.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

1st inscription: launcher, monorail guided missile xm36e1; 2nd: part no. 9030335 fsn/-----/; 3rd: mfd by /-----/; 4th: date /-----/ 19/-----/
inspected /-----/ us; 5th: serial no. /-----/ wt /-----/ lbs 1st side

Color:

Natural inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, 1100, h12 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
