Width:

2.375 inches

Thickness:

0.032 inches

Length:

7.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Partial legend cab heater fuel diesel vv-f-800a only minus 25 degree f to minus 40 degree f use type df-a 20 degree f to minus 25 degree f u

1st side

Color:

Natural inscription

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
