Width:

0.656 inches

Thickness:

0.020 inches

Length:

1.562 inches

Attachment Method:

Slot

Environmental Protection:

Corrosion resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Mfr part no., series, serial no., stock no., spec no., order no. 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 2, class 1 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-a-8625 spec.
