Width:

1.090 inches

Thickness:

0.031 inches

Length:

2.094 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Partial legend u.S.Navy bureau of ordnance, dump valve block, bur.Of ord.Assembly dwg 295813, serial no. ---, manufactured by, mfgs designation 1st side

Color:

Natural inscription

Material:

Steel

Material Specification:

Qq-s-766, class 302 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
