Width:

1.400 inches

Thickness:

0.064 inches

Length:

2.600 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Warning, close door fully, hoist will not, operate if the, door is held by, step on latch

Features Provided:

Reflective surface

Color:

Natural inscription background

Material:

Copper alloy

Material Specification:

Qq-b-626 federal specification 1st material response or qq-b-637 federal specification 2nd material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
