Width:

1.322 inches

Thickness:

0.125 inches

Length:

7.300 inches

Attachment Method:

Hole

Basic Shape Style:

Crescent w/pointed ends

Marking Designation:

Legend 1st side

Inscription:

Hoist outboard 1st side

Features Provided:

Reflective surface

Special Features:

Arrow 1.750 in.Long arched preceding the word hoist, pointing cw

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-601 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
