**Width:**

10.000 inches

**Thickness:**

0.020 inches

**Length:**

5.750 inches

**Attachment Method:**

Slot

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend

**Inscription:**

Maintance instruction for mlg shock strut

**Color:**

Black inscription

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/2, alloy 3003 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0
