Width:

10.000 inches

Thickness:

0.020 inches

Length:

5.750 inches

Attachment Method:

Slot

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Maintance instruction for mlg shock strut

Color:

Black inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/2, alloy 3003 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
