Width:

0.380 inches

Thickness:

0.032 inches

Length:

3.000 inches

Attachment Method:

Hole

Environmental Protection:

Moisture resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Serial no--- 1st side

Color:

Black inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/8, alloy 5052, h34 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 1, class 2 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-a-8625 spec.
