#### Width:

- 1.640 inches
- Thickness:
- 0.025 inches

## Length:

2.570 inches

## **Attachment Method:**

Hole

## Basic Shape Style:

Rectangular w/rounded end

## Marking Designation:

Legend

## Inscription:

Sp brake, out, in, mic, ics, uhf, chaff

## Color:

Black inscription background

## Material:

Aluminum alloy

# Material Specification:

Qq-a-250/8, alloy 5052, h34 federal specification single material response

#### Shelf Life:

N/a

#### Unit Of Measure:

---

#### Demilitarization:

No

## Fiig:

A528w0
