Width:

0.281 inches

Thickness:

0.125 inches

Length:

1.938 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular w/rounded ends

Marking Designation:

Legend 1st side

Inscription:

8 to 12.4ghz 1st side

Color:

White, translucent inscription background

Material:

Plastic acrylic

Material Specification:

Mil-p-5425, finish a military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-p-5425 spec.
