Attachment Method:

Hole

Environmental Protection:

Corrosion resistant and solvent resistant and thermal shock resistant

Marking Designation:

Legend

Inscription:

Deck clearance high low

Color:

Red inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100, h12 federal specification 1st material response or qq-a-250/8, alloy 5052, h32 federal specification 2nd material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
