Attachment Method:
Hole
Environmental Protection:
Corrosion resistant and solvent resistant and thermal shock resistant
Marking Designation:
Legend
Inscription:
Deck clearance high low
Color:
Red inscription
Material:
Aluminum alloy
Material Specification:
Qq-a-250/1, alloy 1100, h12 federal specification 1st material response or qq-a-250/8, alloy 5052, h32 federal specification 2nd material
response
Shelf Life:
N/a
Unit Of Measure:
.
Demilitarization:
No
Fiig:
A528w0
