#### Width:

2.000 inches

#### Thickness:

0.024 inches

## Length:

3.500 inches

#### **Attachment Method:**

Hole

## Basic Shape Style:

Rectangular

## Marking Designation:

Legend 1st side

#### Inscription:

Left side frame out in 1st side

#### Color:

Natural inscription

## Material:

Aluminum alloy

## Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

#### Shelf Life:

N/a

#### Unit Of Measure:

---

#### Demilitarization:

No

## Fiig:

A528w0
