Width:

0.500 inches

Thickness:

0.003 inches

Length:

2.430 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Pump-fuel, gear, discharge pressure 600 psi, flow 0.975 gpm min. At 4200 rpm, part no.--, ser. No.--, cust. Part no.-- 1st side

Features Provided:

Pressure sensitive adhesive tape

Color:

Black inscription background

Material:

Aluminum alloy

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
