Width:

0.920 inches

Thickness:

0.020 inches

Length:

1.310 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Partial legend - hyd. Pressurized irreversible valve-code ident 81873, part no. 42550-3, ser. No. ---, bhc specification no., bhc part no., bhc p.O. No. 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
