Width:

0.688 inches

Thickness:

0.025 inches

Length:

1.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Valve-hydraulic directional control slide selector 3000 psi model 6920 serial no.--, tactair, fluid controls corp. 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100, 0 federal specification single material response

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
