Width:

2.350 inches

Thickness:

0.020 inches

Length:

2.500 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

With manufacturers identifying data 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Hyre-78, barber-coleman mfr ref single material response

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
