**Width:**

5.000 inches

**Thickness:**

0.028 inches

**Length:**

7.000 inches

**Attachment Method:**

Hole

**Environmental Protection:**

Corrosion resistant and hydrocarbon fuel and thermal shock resistant and weather resistant

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend 1st side

**Inscription:**

Transportation data for body, van truck, expansible, 17 ft, m32c 1st side

**Color:**

White inscription

**Material:**

Aluminum alloy

**Surface Treatment:**

Anodize

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A528w0
