Width:

2.380 inches

Thickness:

0.032 inches

Length:

4.500 inches

Attachment Method:

Hole

Environmental Protection:

Corrosion resistant and thermal shock resistant and weather resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Weight without chain hoist 170 lbs 1st side

Color:

Natural inscription background

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
