Width:

0.760 inches

Thickness:

0.025 inches

Length:

1.720 inches

Attachment Method:

Hole

Environmental Protection:

Corrosion resistant and heat and hydrocarbon fuel and moisture resistant and salt spray resistant and weather resistant

Basic Shape Style:

Crescent w/pointed ends

Marking Designation:

Legend

Inscription:

W/mfr nomenclature and part no.

Color:

Black inscription background

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
