Width:

5.120 inches

Thickness:

0.013 inches

Length:

5.620 inches

Attachment Method:

Slot

Environmental Protection:

Solvent resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Inscribed with vendor name and address, af assembly no., instructions for servicing and warning 1st side

Color:

Natural inscription

Material:

Copper alloy

Surface Treatment:

Zinc

Fsc Application Data:

Damper assembly shimmy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
