Width:

0.312 inches

Thickness:

0.015 inches

Length:

0.812 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Release w/arrow

Features Provided:

Pressure sensitive adhesive tape and removeable protective backing

Color:

Black inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
