**Width:**

0.312 inches

**Thickness:**

0.015 inches

**Length:**

0.812 inches

**Attachment Method:**

Adhesive

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend

**Inscription:**

Release w/arrow

**Features Provided:**

Pressure sensitive adhesive tape and removeable protective backing

**Color:**

Black inscription

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/1, alloy 1100 federal specification single material response

**Surface Treatment:**

Anodize

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0
