**Width:**

4.500 inches

**Thickness:**

0.024 inches

**Length:**

5.375 inches

**Attachment Method:**

Hole

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend 1st side

**Inscription:**

Left right up down fork tilt and roll control 1st side

**Color:**

Natural inscription

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/1, alloy 1100 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0
