Width:

2.000 inches

Thickness:

0.020 inches

Length:

1.750 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular w/tab at one end

Marking Designation:

Legend

Inscription:

Dozer lock down to disengage

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 2, class 2 military specification single treatment response

Specification Or Standard:

3 type and c composition

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-a-8625 spec.
