#### Width:

- 0.250 inches
- Thickness:
- 0.020 inches

# Length:

1.020 inches

## Attachment Method:

Hole

# Basic Shape Style:

Rectangular

## Marking Designation:

Legend 1st side

## Inscription:

Direction of rotation w"arrow pointing right 1st side

## Color:

Black inscription background

## Material:

Aluminum alloy

# Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

#### Shelf Life:

N/a

#### Unit Of Measure:

---

#### Demilitarization:

No

# Fiig:

A528w0
