Width:

1.530 inches

Thickness:

0.034 inches

Length:

3.060 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Adapter, gun handling code/part no.19204assy8444095 serial no./-----/ contr no./-----/mfd by/-----/us army weapons command 1st side

Color:

Natural inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Surface Treatment:

Oxide film

Surface Treatment Specification:

Mil-c-5541 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-c-5541 spec.
