Width:

Between 4.190 inches and 4.310 inches

Thickness:

0.032 inches

Length:

Between 5.440 inches and 5.560 inches

Attachment Method:

Hole

Environmental Protection:

Corrosion resistant and hydrocarbon fuel and thermal shock resistant and weather resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Chassis, weapon, full tracked xm 741 single side

Color:

White inscription

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
