**Width:**

Between 0.484 inches and 0.515 inches

**Thickness:**

0.025 inches

**Length:**

Between 1.046 inches and 1.078 inches

**Attachment Method:**

Hole

**Environmental Protection:**

Corrosion resistant

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend 1st side

**Inscription:**

Telescope m84, serial no. /-----/ single side

**Color:**

White inscription

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-359-cancelled federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A528w0
