Width:

Between 0.484 inches and 0.515 inches

Thickness:

0.025 inches

Length:

Between 1.046 inches and 1.078 inches

Attachment Method:

Hole

Environmental Protection:

Corrosion resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Telescope m84, serial no. /-----/ single side

Color:

White inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-359-cancelled federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
