Width:

0.500 inches

Thickness:

0.031 inches

Length:

1.750 inches

Attachment Method:

Hole

Environmental Protection:

Corrosion resistant

Basic Shape Style:

Rectangular w/rounded ends

Marking Designation:

Legend 1st side

Inscription:

Cover no. 5 1st side

Color:

Natural inscription

Material:

Steel

Material Specification:

Qq-s-766, class 302 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
