Width:

0.630 inches

Thickness:

0.032 inches

Length:

2.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular w/rounded ends

Marking Designation:

Legend 1st side

Inscription:

Move forward 1st side

Color:

Black inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/2, alloy 3003, h14 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
