**Width:**

1.250 inches

**Thickness:**

0.032 inches

**Length:**

3.500 inches

**Attachment Method:**

Hole

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend 1st side

**Inscription:**

Push to actuate rapid a off rapid b decomprn switches 1st side

**Color:**

White inscription

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-362-cancelled federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0
