Width:

- 0.375 inches
- Thickness:
- 0.032 inches

Length:

2.625 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Push to reset 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/8, alloy 5052, h34 federal specification single material response

Surface Treatment:

Varnish

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A528w0
