**Width:**

1.000 inches

**Thickness:**

0.020 inches

**Length:**

1.688 inches

**Attachment Method:**

Hole

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend

**Inscription:**

W/mfr name and address 18-30 volt d.C, contr specification no., contr part no., actuator ser no., actuator part no., valve part no.And valve serial no.

**Color:**

Black inscription background

**Material:**

Aluminum alloy

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0
