Width:

1.000 inches

Thickness:

0.020 inches

Length:

1.688 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

W/mfr name and address 18-30 volt d.C, contr specification no., contr part no., actuator ser no., actuator part no., valve part no.And valve serial no.

Color:

Black inscription background

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
