Width:

2.000 inches

Thickness:

0.054 inches

Length:

5.000 inches

Attachment Method:

Ring

End Application:

AIRC-RA-FTM-AINT

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Warning-do not operatestand while standing on ladder capaci type 500 lbs

Color:

White inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 2, class 1 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-a-8625 spec.
